

# WARRIOR WATER

Warrior Water is the world's first all-natural proprietary blend of organic compounds and chemicals that safely and effectively help remove toxins and chemical stresses out of the human body. Today, we live in a world where the average person comes into contact with over 500+ different "ToxSick" chemicals and substances every day. From using things like household cleaners to even products as simple as your daily moisturizer, most people never get all of their toxins out and can eventually become "ToxSick" because of it!

## CLINICAL APPLICATIONS

- ◆ Daily detox designed to kill harmful pathogens
- ◆ Improves gut health and autoimmune response
- ◆ Promotes hormone stability for energy and balance
- ◆ Reduce overall chronic pain and inflammation

## Discussion

Most items in today's market include several chemicals and damaging ingredients! Constantly in contact with these dangerous products, our bodies become full of things intended to hurt our health. Warrior Water's specialized, organic formula was designed to flush out your harmful toxins while promoting and protecting important molecules to help balance your immune system.

With ingredients like activated charcoal, which has powerful toxin-clearing characteristics, this product's ability to filter and absorb helps decrease inflammation while improving overall gut health. Additionally, the addition of fulvic acid ingredients help support your brain's health and improve cognition – and even includes anti-aging properties.

In general, it's hard to escape the toxins of simple, every day life. This daily "ToxSick Detoxifier" is full of all-natural ingredients that effortlessly work together to improve your overall wellbeing!
